## A Letter From Our Past-President

I would like to extend my true gratitude to the officers, Board of Directors and the entire membership of the Texas Community Service Association for allowing me to serve on the board of directors for the past five years. I am also grateful to the association for honoring me with the privilege to serve as your president last year. We have come a long way in the past several years. This is due in part to the Board of Directors, and the officers the association has had and continues to have at this time. I have only been a small part of this, but feel very proud to be involved with this association. There are no words that can express my gratitude to the board for their hard work in making last year as successful as it was. I will continue to be part of this great association and will work in any capacity to insure that the Texas Community Service Association continues to succeed. I will even be a very inexperienced auctioneer; it was a lot of fun.

I look forward to this year and all that our new president, Brenda Culpepper, will bring to the association. The Board of Directors is working very hard in planning for the up-coming 2011 Texas Community Service Association Conference. We have chosen the Fort Worth Stockyards for the 2011 location. This will be a great place for the conference. I look forward to seeing everyone there.

Stanley Christopher  
Past-President / Board Member  
Texas Community Service Association

## A Letter From Our New President

I would like to thank Stanley Christopher for all the hard work he has put in over the last year as president of the association. The entire board worked very hard under his guidance and the association continues to be in great shape because of it.

The new Board of Directors met on February 28, 2011, in Fort Worth. We covered events from last year's conference and items for this year's conference. The board voted to hold the conference on November 6, 7, 8, & 9, 2011 at the Hyatt Place Hotel in the Stockyards. We are very excited about the conference this year.

We are looking forward to hearing from inspiring speakers and exchanging ideas with other community service professionals.

The goal of this conference is to bring the community service coordinators, probation officers, government agencies and non-profit agencies together and provide relevant training. We know that there are budget concerns this year, however, we all know that a strong community service program will save money for the community. The knowledge and ideas that are exchanged at this conference should help every participant learn ways to strengthen the program in their area.

We look forward to seeing you in Fort Worth in the fall, armed with ideas and receptive to new ideas.

Watch for the newsletter for confirmation of speakers, topics and other updates within the association.

Sincerely,

Brenda M. Culpepper  
President 2010-2011
